**JUDGEMENT AND ORDER**

1. This is an application by trustees of the above referred trust for amending the Scheme settled for the better management of the trust vide Orders dated 24/08/1984, in the Scheme Proceeding No. 53/1984. The said order was passed by the then Joint Charity Commissioner, Pune Region, Pune. This inquiry is being hold under the provisions of the B.P.T. Act, 1950 under Section 50A(3) and Rules there under. The inquiry is uncontested.
2. The case of the applicant trustees in short, is that the administration of the Scheme settled by the Joint Charity Commissioner on 24/08/1984, the trustees are facing the difficulties in convincing the authorities to the effect that the trust has educational and medical objects only. The Scheme provides in clause No. 5 some such objects which may be

trustees while administrating the trust had never considered taking such objects on hands and carrying them out. From the existence of the trust, the educational and medical objects have been enhanced from time to time and now there are schools, colleges in various fields of education. This work is so large and huge that the trustees do not have any time to apply their mind and energy for achieving other objects other than the educational objects. While administrating the trust, these objects came into their way of smooth working and they are required to spend the trust funds, even if they do not consider undertaking the other works. They are, therefore, moving this authority for changes in the objects of the trust and they are also changes in the Rules of the Scheme. They are also moving the authority to include the preamble to the Scheme so that it is made clear as to the trust is settled, by whom it is settled, how it is managed, how it caters the things to all in the society. They have, therefore, made the application to amend the Scheme.

3. The questions before me for my consideration and answers on the said questions are as follows:-

QUESTIONS

ANSWER

1. Whether it is necessary to Amend the Scheme?

Yes

2. If yes what should be the Amendment?

The amendments in various clauses especially object clause and addition of preamble in the Scheme.

3. What Order?

As per order below

REASONS FOR FINDINGS

Dr. J. J. Magdum Trust, Jaysingpur is a Public Trust registered vide orders dated 07/12/1977. This trust is registered at P.T.R. No. E-902 (Kolhapur). It is seen that the trust has been settled by Dr. J. J. Magdum and by Sou. Dr. Prabhavati J. Magdum of Jaysingpur by setting aside certain amounts in the trust has undertaken various activities in education and medical fields and has started schools, colleges, hospitals etc. The income of the

folds and it is about Rs. 50 lacks per year for the present. The properties have also been acquired and the worth of the property both movable and immovable is about 1 crore 14 lacks 51 thousands. Thus this figure does show that the trust has acquired the properties during its existence and has been catering the needs of the Society in education and medical fields. It is seen that the trust has not carried out any other objects than the educational and medical objects. The trustees i.e. applicant Nos. 1,2,3 and 4 are the trustees, since the inception of the trust and applicant No. 5 is appointed on the death of Bhima Rama Nangre.

Thus, the present applicants are the trustees of the trust in question.

Dr. J. J. Magdum is present before me today and is examined in support of his application of Ex. 1. He has stated that the resolutions have been passed by the trustees on 30/04/1992 deletion of objects which are not educational objects & certain changes in clause Nos. 15(4) and 17. The trustees have passed resolution for incorporating preamble in respect of the trust and the amendment thereafter under the Scheme. The trustee has stated before me that these resolutions have been passed. He has accepted the contents of the application at Ex. 1 as correct. He has also identified signatures of the trustees on the application. He has moved this authority to amend the Scheme for smooth and proper working of the trust.

It is a fact that the trust has carried out its educational activities at Jaysingpur and has started (1) Jayprabha English Medium School (2) Jayprabha Junior College (3) Polytechnic (4) Dr. J. J. Magdum Homosopathic Medical College (5) Dr. J. J. Magdum College of Engineering (Degree) (6) Dr. J. J. Magdum College of Diploma in Pharmacy.

There are hostels attached to these various Institutions also. Hospital is attached to the Medical College started by the trust. It is soon from the accounts submitted that the trustees have carried out the educational and medical objects and have not considered carrying out any other objects mentioned in the Scheme.

to pay the contribution and incur some expenses because of the inclusion of these objects even if they are not being carried out and even when the trustees do not consider undertaking these activities other than the educational and medical activities. I see that there is no reason to continue these objects in the object clause of the trust and hence I accept the prayer in respect of the amendments in the objects of the trust and delete the Clause no. 5 Sub clause 12, 13 and 19 in the Scheme previously settled.

There are other amendments which are in respect of the accounts for the year ending 31<sup>st</sup> March every year. The Scheme provided that the accounting year should be ending of 31<sup>st</sup> December. This requires change. I, therefore, accept the said amendment suggested by the applicants. Similarly is the case in respect of increase in the cash balance in hand. At the time of framing the Scheme in the year 1984, the amount was fixed of Rs. 500/-. It is soon that the trust has increased its activities many fold and acquired the properties thereafter and therefore it is necessary to increase this limit. The trustees have suggested to increase this limit to Rs. 5,000/-. I say no objection for this amendment also. I, therefore, accept the said amendment, and amend the Scheme accordingly.

This trust is stated to have been established by two settler's viz. Dr. J. J. Magdum and Prabhavati J. Magdum of Jaysingpur. Both these persons belong to Jain Chaturtha Dharma and other trustees being applicant Nos. 3 to 5 are also of the same religion. The said trust is an established by the settlers of particular religion and the trust has been managed and is being managed by the people of the said sect. The applicant trustees have moved this authority to include the preamble to the Scheme in order to get the advantages if any that can be accrued to the trust, I see no objection for inclusion of said preamble. In support of the inclusion of this preamble, Dr. J. J. Magdum has given his oral evidence in respect of the religion of the various trustees and settlers from time to time. I therefore, have finalized the preamble accordingly and have finalized the revised Scheme as per the annexure 'A' to this order.

### ORDER

Application is granted. The Scheme is amended by including the preamble and by amending the object clause No. 5 and clause No. 15(4) and clause No. 17. The amendment would be as per the order above. The amended constitution shall be as per the annexure 'A' to this order.

The Scheme may be get implemented through the Competent Court, if found necessary. The trustees are directed to implement the Scheme so amended henceforth. They are also directed to see that they use the name of the trust as is mentioned in the said Scheme. No orders as to costs.

To,

The Principal,  
Dr. J.J. Magdum Trust's Homoeopathic Medical College,  
Jaysingpur- 416101, Dist. Kolhapur

**Sub :** Application for letter of permission for functioning of Dr. J.J. Magdum Trust's Homoeopathic Medical College, Jaysingpur- 416101, Dist. Kolhapur for continuing BHMS course with intake capacity of 100 seats and for MD (Hom.) with intake capacity of total 24 seats in 04 subjects namely Homoeopathic Materia Medica with 06 seats, Organon of Medicine with 06 seats, Repertory with 06 seats & Practice of Medicine with 06 seats for the academic year 2025-26 - regd.

Sir,

**Dr. J.J. Magdum Trust's Homoeopathic Medical College, Jaysingpur- 416101, Dist. Kolhapur** is functional since 1993 and has applied for permission for sanction of BHMS course with intake capacity of 100 seats and for MD (Hom.) with intake capacity of total 24 seats in 04 subjects namely Homoeopathic Materia Medica with 06 seats, Organon of Medicine with 06 seats, Repertory with 06 seats & Practice of Medicine with 06 seats for the academic year 2025-26. The college has submitted Part I information in which the entire functional profile has been narrated. MARBH conducted inspection on 02.06.2025 & 03.06.2025, followed by physical hearing on 30.06.2025 & virtual visitation on 02.07.2025. The Medical Assessment and Rating Board has examined the College as to whether the college fulfils the Minimum Essential Standards as per the prevailing regulations under clauses 26 & 28 of the NCH Act 2020. On careful examination of the report, the Medical Assessment and Rating Board observed the following shortfalls:

**1. Deficiency of Teaching Faculty:**

- In Department of Physiology 1 Associate Professor is deficient.
- In Department of Homoeopathic Materia Medica 1 Professor is deficient.
- In Department of Practice of Medicine 1 Associate Professor & 1 Assistant Professor are deficient.

**2. Miscellaneous:-**

- Pay scale of all the teaching staff is not according to MES- 2024.
- NABH accreditation of hospital is not available.
- NABL accreditation is not available.

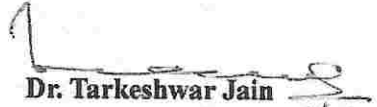

3. During virtual visitation of the college on 02.07.2025, link was sent two times, first at 10:00 am & then at 04:00 pm to the college. From 10:00 am to 10:30 am college authority didn't join. Even after repeated calls college didn't join and kept on giving excuses to join after some time. At 04:00 pm link was again given to the college and vice principal joined but again disconnected and didn't join further for 10 minutes. It seems college was not interested in showing the hospital and college functioning, raising serious doubt about the genuine functioning of hospital and college.

4. Considering the above observations during physical inspection, hearing and virtual visitation, MARBH has decided to issue permission to Dr. J.J. Magdum Trust's Homoeopathic Medical College, Jaysingpur- 416101, Dist. Kolhapur for continuing UG (BHMS) course with intake capacity of 70 seats (reduced from 100) for academic year 2025-26.
5. MARBH has decided to give denial to the college for MD (Hom.) course with intake capacity of total 24 seats in 04 subjects namely Homoeopathic Materia Medica with 06 seats, Organon of Medicine with 06 seats, Repertory with 06 seats & Practice of Medicine with 06 seats for the academic year 2025-26.
6. All admissions shall be made from NEET qualified candidates only. It is further informed that minimum 15% of seats of the permitted intake capacity of (70 seats) BHMS course shall be treated as All India Quota. Counseling for seats under All India Quota shall be conducted by Central Government and counseling for the remaining 85% seats or as the case may be, shall be conducted by the concerned counseling authority of the state/UT designated by Central Government. The permission of the college stands withdrawn if the college fails to comply with the aforesaid direction of the Central Government for All India Quota or the student admitted thereunder.
7. The Category wise list of the selected candidates may be informed to the Medical Assessment and Rating Board for Homoeopathy after the process of admission is completed. Any admissions carried out other than NEET qualified students will not be approved by the Medical Assessment and Rating Board.
8. If the College is aggrieved by any decision of the Autonomous Board, college may prefer an appeal to the Commission against such decision within 30 days of the communication of such decision as per National Commission for Homoeopathy (Assessment and Rating of Medical Institutions) Regulations 2024, section 14 subsection (1) and NCH General Regulation 2023 section 22. The Manner of instructions for appeal are attached.

Thanking you,

Yours faithfully,
