

**INSTRUCTIONS-**

1. All questions are compulsory
2. All questions carry equal marks
3. The number to the right indicates full marks.
4. Draw diagrams wherever necessary.
5. Do not write anything on the blank portion of the question paper.

**SAQ (60 Marks)**

**1. Write appropriate answers (any 10 out of 15)**

**(10×2=20)**

- a. Methods of disinfection
- b. UNICEF.
- c. Community Medicine
- d. Vitamin B
- e. Food Adulteration
- f. Case control study
- g. Koplick's spots
- h. WHO
- i. Reservoirs
- j. Health for all
- k. OTA Test
- l. Define Family planning
- m. Rodenticides
- n. Classification of fats
- o. Incinerator

**2. Write short answers (any 4 out of 6)**

**( 4×5=20)**

- a. Hospital waste management
- b. Indicators of health
- c. Clinical features and Complications of Diphtheria
- d. Jone's criteria
- e. Active and Passive immunity
- f. Sources of health information

**3. Write short answers (any 4 out of 6)**

(4×5=20)

- a. Iceberg phenomenon
- b. Beri beri
- c. National family welfare programme
- d. PEM
- e. Silicosis
- f. Drug dependence

**4. Long answer questions (any 2 out of 4)** ~~(2×10=20)~~

(2×10=20)

- a. Pneumoconiosis
- b. Demographic cycle and population explosion
- c. Diabetes Mellitus
- d. Genus epidemics

**Long answer questions (any one from 5,6,7)**

(1×20=20)

**5. Answer the following-**

- a. Mosquito borne diseases
- b. Dengue syndrome
- c. Mosquito control measures
- d. Homoeopathic aspect for prevention of communicable diseases.

**6. Explain-**

- a. Prudent diet
- b. Role of iodine, its sources and deficiency
- c. Dietary antioxidants
- d. Dietary goals

**7. Explain-**

- a. Sources of water
- b. Methods of purification of water
- c. Slow sand filter
- d. Rapid sand filter
